

Turn the World Around

We come from the fire, living in the fire,
go back to the fire turn the world around.
We come from the water, living in the water,
go back to the water, turn the world around.
We come from the mountain,
living on the mountain,
go back to the mountain,
turn the world around.

Do you know who I am?
Do I know who you are?
See we one another clearly,
Do we know who we are?
Oh, oh, so is life, ah hah! So is life;
Oh, oh, so is life, ah hah! So is life;

Turn the World Around (Part 2)

We come from the fire, living in the fire,
go back to the fire, turn the world around.
We come from the water,
go back to the water, turn the world around.
We come from the mountain,
go back to the mountain,
turn the world around.

Do you know who I am?
Do I know who you are?
See we one another clearly,
Do we know who we are?
Ah ___ ah ah, Ah ___ ah ah
Ah ___ ah ah, Ah ___ ah ah

Water made the river,
river washed the mountain,
fire made the sunlight,
turn the world around.
Heart is of the river, body is the mountain,
spirit is the sunlight, turn the world around.
We are of the spirit, truly of the spirit,
only can the spirit, turn the world around.

Do you know who I am?
Do I know who you are?
See we one another clearly,
Do we know who we are?
Oh, oh, so is life, ah hah! So is life;
Oh, oh, so is life, ah hah! So is life;

Water made the river,
fire made the sunlight,
turn the world around.
Heart is of the river, spirit is the sunlight,
turn the world around.
We are of the spirit, only can the spirit
turn the world around.

Do you know who I am?
Do I know who you are?
See we one another clearly,
Do we know who we are?
Ah ___ ah ah, Ah ___ ah ah
Ah ___ ah ah, Ah ___ ah ah

We Are the Children

Together we can make a difference.
Together we can make a start.
So put your hand in my hand,
this song comes straight from the heart.
Nothing can stand between us, United we are strong.
With you my friend beside me, I know where I belong.

We are the children of tomorrow.
It's all up to us to find a better way.
We are the children of tomorrow.
We won't let a thing stand in our way.

We can change the land together.
We'll make the world a better place
with peace and love forever, friendship will lead the way.
We'll teach the next generation. We believe we can.
Join in our celebration, the future is in our hands.

We are the children of tomorrow.
It's all up to us to find a better way.
We are the children of tomorrow.
We won't let a thing stand in our way.
We won't let a thing stand in our way,
We won't let a thing stand in our way.
